# EQUIPMENT CORPORATION OF AMERICA

Since 1918

ECA

**ECA is the premier provider of reliable and innovative products, services and solutions to the foundation industry. Since 1918.**

**PROVEN EXPERTISE**

**Diverse Product Line** ▲

ECA is consistently represented on nearly every major and high profile project across the U.S. and Canada, and in a variety of capacities. Our success stems from the diversity of our product lines, our best-in-class service and our specialized knowledge to adapt equipment to a variety of projects.

**Best-In-Class Service** ▲

This knowledge and demonstrated success has placed our employees and equipment in crucial roles when and where they are needed the most. From the Conowingo Dam in 1928 to Ground Zero, levee restoration in the Gulf after Hurricane Katrina, and the post-collapse replacement of the Mississippi River Bridge in Minneapolis, ECA has always been there.

**Specialized Knowledge** ▲

Today, ECA focuses primarily on the Foundation Industry and is a premier distributor of Drilling Equipment for Large Diameter Drilled Shafts, Small Diameter Drills for Earth Retention, Dedicated Piling Rigs and Pile Driving Equipment and Accessories. We offer a full array of new equipment manufactured by the Bauer Machine Group and affiliated companies, support a large and diverse rental fleet, and provide parts and service from six, full-service locations throughout North America.
